BARLOW HOSEN FOR PRESIDENT

CASHIER OF YALE NATIONAL NAMED TO HEAD CONN. BANKERS' ASSOCIATION

Organization Is Flourishing

New Executive Is Also Vice President of the American Bankers' Association—Convention Closes In Waterbury This Afternoon.

(Special from United Press.)

Waterbury, June 17.—Following an enjoyable banquet last evening, about 100 members of the Connecticut Bankers' Association re-assembled at the Hotel Elton this morning to conduct the business meeting of the 10th annual convention. Reports were read by the several officers, which showed the organization to be in a flourishing condition and general banking conditions throughout the state were discussed.

The following officers were then elected for the ensuing year: President, C. C. Barlow, cashier Yale National Bank, Danbury; secretary, Charles E. Hosen, treasurer, South Norwalk Trust Company, South Norwalk; treasurer, H. C. Lathrop, cashier, Windham National Bank, Windham.

A double honor was conferred on Mr. Barlow of New Haven when he was made Connecticut vice-president of the American Bankers' Association. At the close of the business meeting the bankers were the guests of the country club where they were entertained at luncheon.

Mr. Barlow's banking career covers a period of some 30 years. He was born in Cornwall, Litchfield county, Conn., and at an early age moved to New Milford, where he received his education. While still a boy he entered the First National Bank of New Milford as clerk and after remaining there for a time was engaged as assistant to National Bank Examiner Mygatt. He developed a natural aptitude for the work and was entrusted with many responsibilities in connection with the office for one of his years. He then came to this position for about four years and his duties were performed so efficiently as to win for him the special commendation of the examiner and the official at Washington.

This work gave him an excellent opportunity to become familiar with the methods employed in the various banks of Connecticut and Rhode Island and to establish a wide circle of friends among the bankers.

In 1891 he was elected to the position of teller of the First National Bank of New Milford, and remained there for about seven years, when an opportunity was offered to him to take a larger field of usefulness, and in 1898 he accepted the position of teller in the Connecticut National Bank of Bridgeport, which position he held for 13 years. When in 1903 changes were made in the officials of the Yale National Bank of New Haven, and the position of cashier was vacant, Mr. Barlow was chosen to fill it.

GENERAL ASSEMBLY

Many Matters of Interest Acted Upon Today

Unclaimed Bank Deposits

(Special from United Press.)

Hartford, June 17.—The Senate today passed the appointments of Mr. Charles Capon of Willimantic and Colonel Charles M. Jarvis to be members of the Connecticut Agricultural College.

Hartford, June 17.—The House made a strenuous effort to clear off its calendar today with very poor success. Only half the matters taken up were disposed of. Following the discussion of yesterday afternoon when adjournment for lack of quorum came in the midst of a discussion of a resolution fixing July 15 as the date of adjournment this should have been the first matter before the House today, but was postponed until 11 a. m., for lack of quorum. When it came up, Mr. Chandler of Rocky Hill pressed his motion for reconsideration of the vote to immediately transmit to the Senate. This was carried by 145 to 43. Chandler then moved reconsideration of the resolution setting July 15 as the adjournment date, supporting his motion with a vigorous presentation of the fact that the state of Connecticut will not judge the present General Assembly on the length of its session, but on the length of its adjournment. Mr. Parker of Hartford, opposed the motion to reconsider it in an eloquent and strenuous statement of the amount of time the House is wasting in useless talk and in motions which tend but to delay. He doubted if adjournment could come on July 15, but believed that setting the date would cause members to hasten the business and would act as a constant reminder that adjournment had to be made. Chandler's motion to reconsider was lost by a vote of 78 to 84. Judge Parker then moved to immediately transmit to the Senate the appointments of Mr. Charles Capon of Willimantic and Colonel Charles M. Jarvis to be members of the Connecticut Agricultural College. His remarks were applauded all over the House.

Among the matters favorably acted upon by the House today were the following: one providing for the confinement of insane persons in the penitentiary; one making the penalty for cruelty to animals a jail sentence; one appropriating \$50,507.43 for the support of the Connecticut Agricultural Experiment Station.

After a detailed explanation by Dr. Shelton, House chairman of the committee of Public Health
